## Supporting Answers

1. Be sure that whatever version of the Bible you select, is in language which is easily understood by the Builders. Also, select a section of Acts which will interest the Builder. Take time to ask questions as you read like: What do you think it would have smelled like, sounded like, felt like? Why do you think this person did what they did?
2. There are many books about Jesus. The important part is to find one for your child's developmental level.

**Bible App for Kids** is a ministry of Youversion Bible Inc. and provides nearly 50 interactive Bible stories for kids. There is an animated storybook app with vivid illustrations and sound as well as interactive touch screen interactions. The games and activities help kids remember what they learn. The navigation is simple for kids and there are no in-app purchases. There is also a printed Bible that has the same stories and graphics. See your device's app store. Bibleforchildren.org has illustrated and color pages for sixty different Bible stories available for download and printing in 132 different languages. There are 18 stories about Jesus (including Powerpoint, coloring pages, and storybook pages) <http://bibleforchildren.org/> or your device's App store.

Book Reading is usually "assigned" and done as a parent-child activity. As the children complete the activity have them REPORT their findings at club meetings.
