

# Scavenger Hunt

## Requirements

1. Go on a scavenger hunt with one of your parents, a teacher or another adult.
2. Find two(2) items in nature (acorn, pine cones, nuts, leaves, etc.)
3. Find something relating to a Bible story (small basket = Moses, cotton, lamb's wool, stones = altar, multi-coloured material Joseph's coat, etc.). Talk about the story.
4. Find something that is red (flower, piece of material, colour crayon, etc.).
5. Find a plastic egg (or another type of container), open it and share with another Early Bird (can put grapes, raisins, candy or whatever you like).

## Supporting Answers

Plan a Scavenger Hunt for the Early Bird Class

1. Make a list of the items that need to be found as part of this award. Add to the list additional items of other colours. Be sure there are enough containers 'hidden' so that every child is able to find and and share the contents with their parent.
2. Every Early Bird and parent team should have a checklist and pencil/ crayon.
3. The list should include the basic list of the requirements PLUS several items specific to your environment. See page 49 of the Early Bird Activity Book.
4. Once everyone is done, bring the class together and ask specific children to share what they found in a category.
  - Example:
    - Rosie, what did you find that was RED?
    - David, what did you make your rubbing of?
    - Sonia, what did you find that reminded you of a Bible story? What was the Bible story?
