

Song used in the South Pacific Islands

Busy Bees and Sunbeams, Builders, Helping Hand,
We're marching with rejoicing,
Jesus is the Captain of our happy band,
His praises we are voicing
In a chorus mighty and strong.

Chorus:

We will always try to do our best,
Jesus promised He will do the rest.
He will guide us ever,
He will fail us never;
Till we reach our happy home above.
Jesus needs all young Adventurers,
Others need the love that we can share:
We will shout and sing of His great love
While marching all the way to heaven.

Be obedient, pure and true, be kind and respectful
Jesus our example;
Be attentive, helpful, cheerful, thoughtful and reverent
Growing like our Saviour.
The Creator of all things in nature.
